OFFICIAL SELECTION

Congratulations!

Zanuck Theater @Fox Studios

Dear Anna Middelton,

It is an honor to inform you that the films **YOUR DNA, YOUR SAY** and **SOCIALIZING THE GENOME** are OFFICIAL SELECTIONS of the **RAW SCIENCE FILM FESTIVAL 2016**. The festival honors films on science and technology worldwide. Event partners include the [Space Tourism Society Canada](#) and the [Arthur C. Clarke Center for Human Imagination](#). We are pleased to have [Explore Mars](#) as a sponsor of the festival!

Thank you for pioneering media that keeps the logic and beauty of science and its potential impact on humanity and our world on center stage.

Information on the live festival event is below. Festival laurels are available upon request. Please let me know if you would like to make your official selection available on [Raw Science TV](#).

Congratulations!

The celebration of science media should be as exciting, glamorous, and fun as any other form of entertainment currently celebrated in the mainstream media.

The theme of the live event is “Space 3.0,” the development of private space in addition to augmented reality, virtual reality and mixed reality experiences.

The best in science media from around the world will be celebrated in grand fashion! The winners will be screened at [Fox Studios](#) in the historic Zanuck Theater. There is a reception followed by a live-streamed Awards Ceremony (black tie optional) with magic, brain games, and immersive experiences. The celebration of science media should be as exciting,

glamorous, and fun as any other form of entertainment currently celebrated in the mainstream media. The logic and beauty of science and its potential impact on humanity and our world will take center stage!

The audience will receive kits to sequence their microbiome from [Ubiome](#).
